

Family DC

The Wolverhampton Jeffcoats

Our family tree starts with the marriage of Charles Jefcoat, born in 1812, and Mary Tranter, in 1833 in Bilsdon, Staffordshire. They had a son Charles, who had a son Charles, who had a son Charles.

We see close details with family DB (the Brevitt name) and possibly AP too, but no clear connection has been possible.

We have two gravestones to show, but little else.
